The Children's Act 2004 is a development from the 1989 Act. It reinforced that all people and organisations working with children have a responsibility to help safeguard children and promote their welfare. The guidelines set out in this act allow for anyone working in an educational or non-educational setting and working with children to know how a child should be looked after in the eyes of the law.

What is the Children's Act 2004? | iHASCO

Children and their innocence are now shielded from the adult world with laws and rules set in to place to help maintain their innocence and purity. For example, laws are now set in place to restrict what children watch and observe this was non-existent during earlier times. It can then be argued that childhood is a social construction.

How Childhood Has Changed over the Centuries

The 1989 Act marked a turning point in children's rights legislation in England and Wales. It introduced comprehensive change concerning the welfare of children. Central to this was the idea that children's wishes and feelings must be taken into account when making decisions that affect them.
