The single-leaved standard dimension paper is an alternative that you can use in place of the double-leaved takeoff paper. Available at a few stores and suppliers of stationery, this paper is offered in A4 size, and you can choose between faint and no-faint ruled paper. Both types have vertical margins and headers.

Traditional taking off uses dimension paper which is made of a series of columns. The columns are: 1. The timesing column, which gives the factor of multiplication for the measurements in the dimension column. 2. The dimension column, where the measurements are set down as taken from the drawings. 3.
