I love to sew and especially enjoy sharing my passion with children. I am sad that many school systems offer no exposure to sewing in their curriculum. Lessons are presented in my Brookfield, Illinois home. I began lessons in 2013. I customize lessons for each student based on experience level and what type of sewing they want to do.

Sewing Terms: Fabric Types. Fabric is an essential part of sewing - in fact, it's your most basic material and the part of your project that you will most likely decide on first. Knowing the difference between warp and weft, how to find the grain, and when to use muslin will give you the step up that you need to go from beginner to pro sewist.

Making now, doing some custom sewing for other people, and slowly working on a vintage Vogue designer pattern, a YSL blazer, blouse, and trousers from a '70's pattern. Here's a look on my IG page. I'm trying to save the details in an Instagram highlight as I go, since I'm doing it old-school, with pad stitching and horsehair canvas.
